3 ENJOY!

A minute to learn A lifetime of fun

At **PDG GAMES** we know that you want a happier, healthier and longer life. Who wouldn't? In order to do that you need to expand your awareness.

How's that? Your subconscious is running 95% of your life, which means that by definition, you're unaware of it. Long story short, that's the problem, and it explains why change is so difficult.

We believe change can be way quicker, easier and more fun than you think. We understand you might be skeptical or not interested which is why we're offering our **Secret Surprise FREE!**

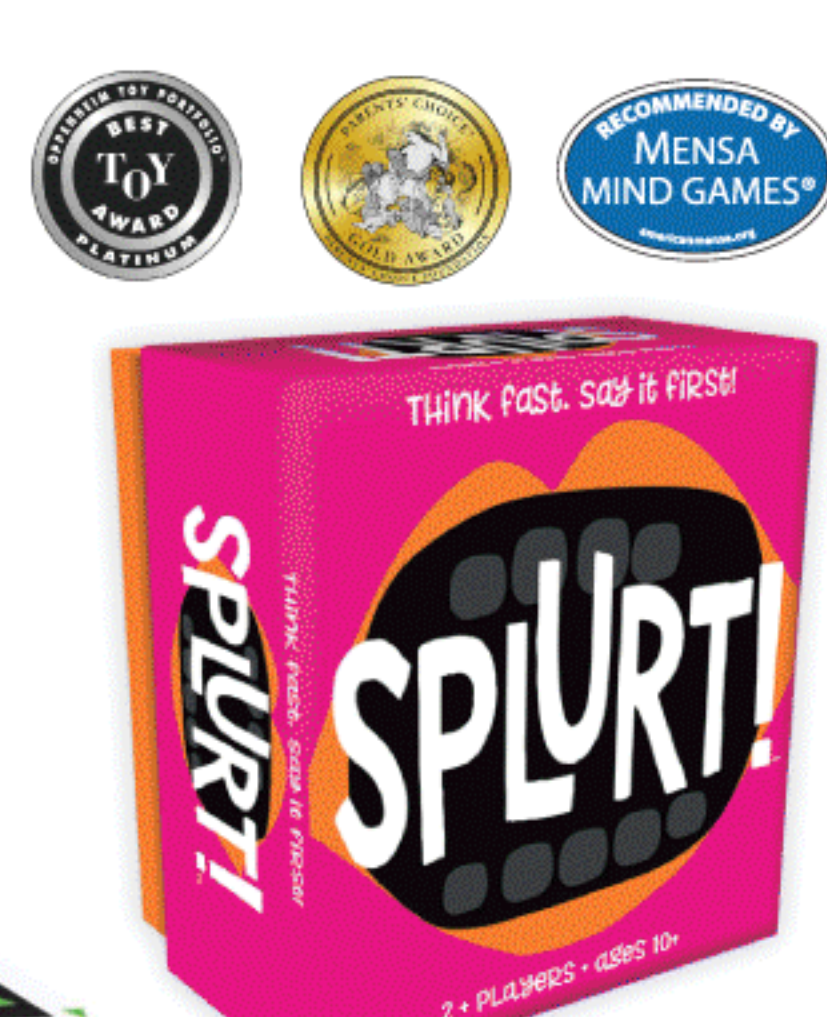

Click here, check it out with an open mind, feel it, then select a game that's right for you.

Place your order and choose your shipping speed so you can start living a happier, healthier, longer life, as soon as possible. And meanwhile, use your **Secret Surprise FREE!** to stop your subconscious from running your life and instead enjoy the benefits of connecting like never before.

Using the cards, the group then writes the story. **WHOEVER HAS THE MOST FUN WINS!**

Story GROUP

Each **Story GROUP** writer gets a letter and a number to use in order to suggest a story title. Say you get G 3. Your suggestion must start with G and contain 3 words. The group, after considering everyone's suggestions, votes on the title of the story they're about to write.
